

Whole House Filtration Toowoomba

Choose the Best System for Your Home

Cleaner, Safer Water for Your Whole Home

- ✓ **Removes** sediment, chlorine & harmful contaminants
- ✓ **Protects** your family's health & appliances
- ✓ **Works** with both town & rainwater
- ✓ **Installed** by a registered plumber for peace of mind

16
YEARS
OF EXPERTISE

With **over 16 years of expertise**, we provide reliable water filtration solutions tailored to your needs.

Discover our three premium Australian-made filtration systems, built with high-quality filters from the USA and Europe. Choose the perfect solution for your home and enjoy crystal-clear, reliable water every day.

One Plumber, One Bill, No Hassle!

At **Whole House Filtration Toowoomba**, we keep things simple with **Bill**—our expert plumber with **20+ years of experience**.

- ✓ **One trusted plumber** who knows your setup
- ✓ **Seamless service & maintenance** for years to come
- ✓ **No confusion, no unexpected costs**—just clean water, hassle-free!

Multi Stage Whole House Filtration System with Weather Proof 316 Marine Grade Stainless Steel Cover

Australian made using high quality filters sourced from the USA & Europe

3 year Full comprehensive Warranty

All our filtration claims are backed by comprehensive laboratory test results, ensuring the highest standards of water purity and safety

**One plumber. One Bill!
Pure convenience.**

Why Are We So Much More Affordable?

- **No massive overheads** – Big companies with 20+ staff pass costs onto you. **We don't.**
- **Direct from wholesalers** – We cut out the middlemen to bring you the best prices.
- **Same premium quality** – Industry-leading filtration at a fraction of the cost.

No inflated prices. Just the best water, for less.
